

About the Programme

The 2023-24 England Futsal Coach Mentoring Programme is a new programme, shaped using feedback from key stakeholders and the futsal community, aligned to underpinning the broader coach support/futsal development activities that the FA have specifically entrusted us with as an organisation.

The new Coach Mentor programme will link 20 aspiring coaches of any level with a Coach Mentor to support with about 10 hours of individual contact and support from getting to know you, goal setting, learning, reflecting, feedback and development.

You can apply here for mentor support where we will support across the range of experience from beginner up to those engaged weekly in the highest levels of competition as well as some group support for females in coaching. Please note that completing this form does not guarantee a place on the mentor programme and is dependant on selection.

Deadline: Midnight 01.01.2024

Please note that this survey will note autosave. We recommend crafting answers separately (e.g. a word doc) and pasting in when you are ready to complete your application. Please send your video via weTransfer to coaching@englamdfutsal.com and your reference to the same email address.
